

LINEN / COVERAGE AND LINEWORK

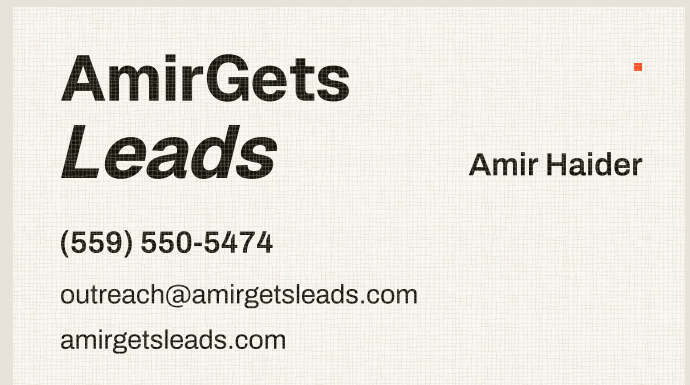

Digital sensitivity study. Deliberately assumed relief and ink loss. Not a press prediction.

FLAT CONTROL

01 / Sparse dark type on bare paper

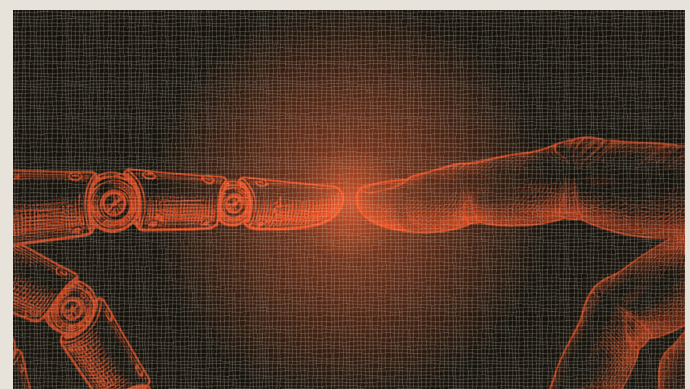

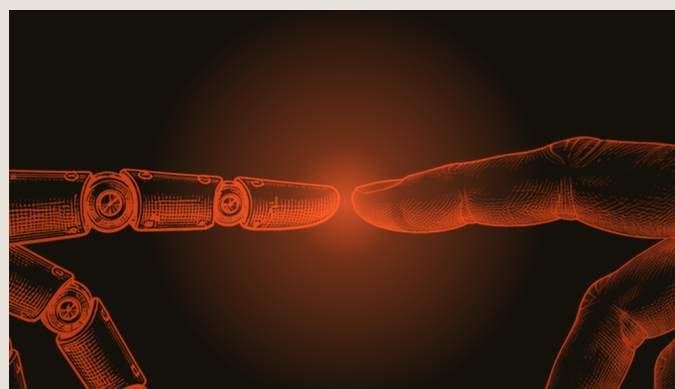

SIMULATED LINEN + ASSUMED INK LOSS

02 / Full dark coverage with reversed type

03 / Supplied engraved spark, cropped at card scale

Each panel is 3.5 x 2 in. Source spark: 1024 px at 3.5 in = 292.6 effective DPI.

Texture visibility and defects are illustrative. A physical printed sample is required.
